

2026 – 2027 ANNUAL PARTNER PROGRAM

Support the engineering profession while providing employees with opportunities for professional development, advocacy, and meaningful connections within Maryland's engineering community.

OUR MISSION

The Maryland Society of Professional Engineers is dedicated to the promotion, protection, and development of the professional engineer as a social and economic influence vital to the health, safety, and welfare of the community.

HOW WE DO IT

Our organization is made up of volunteers across all disciplines and sectors. We strive to provide educational, legislative, and networking support to practicing and aspiring professional engineers.
